

■ Assembly line Steel band Width 17 mm pre-galvanized

Commercial details

Part no.	1110012
EAN/GTIN	4250928424167
Packing unit	10 m
Quantity unit	m
Weight	0,0890 kg/m
Product group	05-111
Price unit	1

QR code

Specification

Application area	For floor fixing or suspension of cables.
Specification	pre-galvanized

Technical data

Material	Steel
----------	-------

Product details

Width b	17 mm
tension load	0,8 kN
Length	10 m
Hole-Ø	6,4 mm
Width steel band	17 mm
Thickness steel band s	0,8 mm
