

Insulating coat C-profile 35 7 m 35 mm Synthetic rubber

Commercial details

Part no.	7250035
EAN/GTIN	4250928442093
Packing unit	1 Bag
Quantity unit	Bag
Weight	0,203 kb/bag
Product group	08-725
Price unit	1

QR code

Certification

Specification

Application area	for lateral insulation of synthetic rubber under ventilation duct. Sound insulation for suspensions of ventilation ducts.
Type of attachment	adhesion

Technical data

Material	Synthetic rubber
Material type	geschlossenzelliger, synthetischer Kautschuk
min. temperature resistance	-40 °C
max. temperature resistance	105 °C
Colour	grey

Product details

Width	35 mm
Length	7 m
