

■ Thread connector M12 for profile type XL 100, XL 200

Commercial details

|               |               |
|---------------|---------------|
| Part no.      | 1641018006    |
| EAN/GTIN      | 4250928437051 |
| Packing unit  | 1 pcs         |
| Quantity unit | pcs           |
| Weight        | 0,550 kg/pc   |
| Product group | 14-164        |
| Price unit    | 1             |

Specification

|                        |                                                                        |
|------------------------|------------------------------------------------------------------------|
| Application area       | For mounting on CENTUM® mounting profile to make threaded connections. |
| Profile type           | XL 100, XL 200                                                         |
| Number of fixing holes | 2 pcs                                                                  |

Technical data

|               |             |
|---------------|-------------|
| Material      | Steel       |
| Material type | S235        |
| Surface       | Zinc-Nickel |

Product details

|                    |          |
|--------------------|----------|
| Connection G       | M12      |
| Width              | 110 mm   |
| Height H           | 74 mm    |
| load Fz            | 5 kN     |
| Length             | 70 mm    |
| Elongated hole     | 14x40 mm |
| Thickness          | 4 mm     |
| Height till hole h | 50 mm    |
