

Insulation lining Glass fibre pressure-sensitive Width 25 Insulation thickness

Commercial details

Part no.	723022505
EAN/GTIN	4250928449450
Packing unit	25 m
Quantity unit	m
Weight	0,0680 kg/m
Product group	01-723
Price unit	1

QR code

Specification

Application	high temperature sound insulation insert for pipe clamps.
-------------	---

Technical data

Material	Glass fiber
Material type	Glasfilamentgarne
max. temperature resistance	450 °C
Insulation thickness	5 mm

Product details

Width	25 mm
Dimension	5
